## Global Security

is the special interest magazine for an international readership. Global Security is released twice a year in English language targeting international political, scientific, technical and additional up-to-date challenges arising from the sectors of homeland safety and security – civil protection, disaster assistance, special situation, major events within the scope of comprehensive approach – as well as security research.

Global Security is distributed internationally. Our specialist editorial team is located all over the world (e. g. USA, Canada, Australia, Asia). Accordingly, reporting is being carried out on the spot.

The magazine aims at decision makers in politics, ministries, public services and industry. Global Security is sent via standard mail. Subscribers are billed yearly.
